Steve and Mai

Thanks for your help thus far in helping me get up to speed on this case. As you both worked on this with Mike extensively, if you have any other ideas/suggestions on how to respond to the AG, please lemme know!

Thanks,
Sara

Attorney Client Communication

Hi All

As you may have heard, the Petitioner's appealed the District Court's decision regarding the Coyote Creek Mine. There are a number of issues under appeal, and the Petitioner's opening brief is attached. I got a call from the ND AG yesterday on one

If there is someone you'd like me to work with, just lemme know. In the meantime, I'll keep you all in the loop as I hear from OGC.

I appreciate this is a brief summary, so if you have questions and/or would like me to set up a time to talk, please let me know.

Thanks
Sara

Excerpt from the NSPS delegation website:

Specific Authorities Retained By EPA

In general, EPA does not delegate to state or local agencies the authority to make decisions that are likely to be nationally significant, or alter the stringency of the underlying standards.

As additional assurance of national consistency, state and local agencies must send to the EPA Region's Air Enforcement program a copy of any written decisions made pursuant to the following delegated authorities:

- Applicability determinations that state a source is not subject to a rule or requirement;
- Approvals or determination of construction, reconstruction or modification;
- Minor or intermediate site-specific changes to test methods or monitoring requirements; or
- Site-specific changes or waivers of performance testing requirements.

40 CFR Part 60 NSPS

The following provisions of Subpart A *are not delegated*:

- Sections 60.4(b),
- 60.8(b),
- 60.9,
- 60.11(b),
- 60.11(e),
- 60.13(a),
- 60.13(d)(2),
- 60.13(g), and
- 60.13(i).

Sara, Thanks for consulting with OGC about this. I've copied Matt Marks, who is the practice group leader for NSPS issues.

Matt, Sara has a question about NSPS delegations; please see her email below. Thanks.

Ryland Li is the OGC attorney who handles NESHAP/MACT delegations. He is familiar with the Oklahoma notice and hopefully can answer your question.

Hi Lea

I'm working on a delegation package for the State of North Dakota for the NESHAP/MACT (and NSPS).

Ex. 5 Deliberative Process (DP)

I see that Region 6 recently noticed a similar action that received adverse comments on the 112 standards. I am reaching out to the ORC in Region 6 to see if there's someone that's been working with their clients that can help answer my question, and wanted to see if someone from ARLO has also been involved in the attached Oklahoma notice.

I'm looking for someone from ARLO to help with my question, which is...
